

Date _____

Pay to the order of _____ \$ 0.00

_____ Zero dollars and 0/100 _____

For _____ Signature _____

 <https://peshawar.co/checks>

Directions to use

1. Print out the check on A4 size paper on a home printer. Print result will vary depending on the printer used
2. Cut out the check with the help of scissors or otherwise
3. Make sure to Sign the check. Make sure all the details are correct
4. The check number on the check must have not have been used before.
If not sure, leave it blank
5. Check with the bank cashier first, whether home printed checks are acceptable to the bank.
Not all banks will accept home printed checks
